

## APPENDIX TWO: OTHER PLANS AND STUDIES

<i>Local Land Use and Development Initiatives</i>	122
<i>Local Infrastructure &amp; Public Works Planning Initiatives</i>	126
<i>Local Historic &amp; Cultural Resources Planning Initiatives</i>	128
<i>Local Recreational Planning Initiatives</i>	132
<i>Local &amp; Regional Natural Heritage &amp; Environmental Planning Initiatives</i>	136
<i>NCDOT Transportation Improvement Plans</i>	142

**Other Studies, Plans and Planning Initiatives: Local Land Use & Development Planning Initiatives**

*List was developed by technical consultant from phone interviews with county and municipal planners and administrators in the Heritage Area.*

*This appendix includes comprehensive land use and development plans, neighborhood plans, and community or area plans.*

*Appendix does not include local ordinances or regulations.*

*(-) Plan completed within last three years (cd) Plan currently being developed (+) Plan expected to be developed within next three years*

*Planning initiatives over 3 years old were excluded in order to keep this inventory as current as possible*

*over the 10 year life of this management plan.*

**Other Studies, Plans and Planning Initiatives: NCDOT and Local Transportation Plans**

List was developed by technical consultant from phone interviews with county and municipal planners and from NCDOT data.

<http://www.ncdot.org/planning/development/TIP/TIP/>

Includes projects planned as part of the State Transportation Improvement Program (NCDOT) as well as locally initiated transportation plans. The number of NCDOT projects planned in each county is given for each project type. For paving projects, the mileage is given in parentheses.

NCDOT TIP projects are scheduled for implementation over the next 10 years.

(-) Plan completed within last three years (cd) Plan currently being developed (+) Plan expected to be developed within next three years
